AGENDA TITLE: Approve plans and specifications and authorize advertisement for bids for English Oaks Common Park Shade Structure Improvements, 2184 Newbury Circle

MEETING DATE: July 16, 2003

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council approve the plans and specifications and authorize advertisement for English Oaks Common Park Shade Structure Improvements, 2184 Newbury Circle.

BACKGROUND INFORMATION: This project was previously approved as part of the Parks and Recreation Departments 2001/2003 Capital Improvement Projects.

Approximately 4 years ago the Parks and Recreation Department upgraded the playground area at English Oaks Common Park. At that time funds were not available to provide a shade structure which is a very popular amenity in our parks. The pre-engineered/pre-manufactured shade structure will be installed adjacent to the existing playground equipment along with new picnic tables and trash receptacles.
